

Dear Bro. Phelps,

98

I am going to Boston  
this morn to be gone a few days.  
Mr Jackson declines the office of Pres!  
on account of many engagements  
tho' he fully agrees with us &c. What  
shall we do?

I take on the Tenny money.

If I can do any thing for  
you in Boston &c please let me know.

Be of good cheer, dear brother.  
If you incline to go to the M. G. we will  
provide the means & your dear family shall  
not suffer. Let us do our duty & trust in  
the blessed Saviour.

affecy yours
